

EUROPEAN SPACE AGENCY

SOLAR SYSTEM EXPLORATION WORKING GROUP (SSEWG)

**1<sup>st</sup> Meeting**

**to be held on  
3 – 4 February 2010  
at ESTEC**

**Draft AGENDA**

**3<sup>rd</sup> February 2010**

**11:30-13:00                      SSEWG proper (room Ba024)**

1.     SSEWG within ESA structure, purpose and introduction of members *C.P. Escoubet*
2.     Adoption of Agenda
3.     Summary report on October 2009 SSWG meeting and January 2010 meetings  
*C.P. Escoubet*
4.     Status report on Assessment Study activities - *P. Falkner*  
      - EJSN/Laplace
5.     Projects under development - *R. Marsden*  
      - BepiColombo status

**14:00-17:00                      Joint AWG/SSEWG (room Einstein)**

- 14:00-15:00                      ESA Science Programme advisory structure     *F. Favata*
- 15:00-16:00                      Joint WG meeting on the preparation of the SPC workshop  
*F. Favata and F. Casoli*
6.     Satellites in orbit *R. Marsden/G. Schwehm*  
      - SOHO  
      - Cluster/Double Star  
      - MEX  
      - VEX  
      - Rosetta  
      - Cassini/Huygens  
      - Hinode, PROBA 2.
  7.     Proba 3 payload status *C. P. Escoubet*

**Adjourn 17:30**

**4<sup>th</sup> February 2010**

**09:30-10:30**

**Joint AWG/SSEWG (room Einstein)**

SPC spring workshop: TG1: Small missions

*O. Botta*

**10:30**

**SSEWG (room Ba024)**

8. Questions from SPC Task Groups 1 and 2 *All*
9. ESA studies in preparation of future call for small missions *P. Falkner*
10. Exomars and exploration status *M. Coradini*
11. Mars Robotic Exploration Preparation Programme *P. Falkner*
12. ExoMars Science Management Plan (15 :30) *J. Vago*
13. Discussion of the Exomars SMP, comments *All*
14. UK funding for Planetary and Space physics missions operations  
*C.P. Escoubet/G. Schwehm*
15. Follow up on Point 6 and Cassini-Huygens extended mission support *All*
16. Nomination of members for advisory committees and ad-hoc working groups  
(HESAC, ESAC, Planetary Protection Working Group and Technology Board)
17. Any other matter  
MetNet *A-M. Harri*  
Preparation for SPC Workshop in Palermo
18. Date and place of next meeting

**17:00**

**End of meeting**
