

Rosetta End of Mission

Rosetta Mission What now?

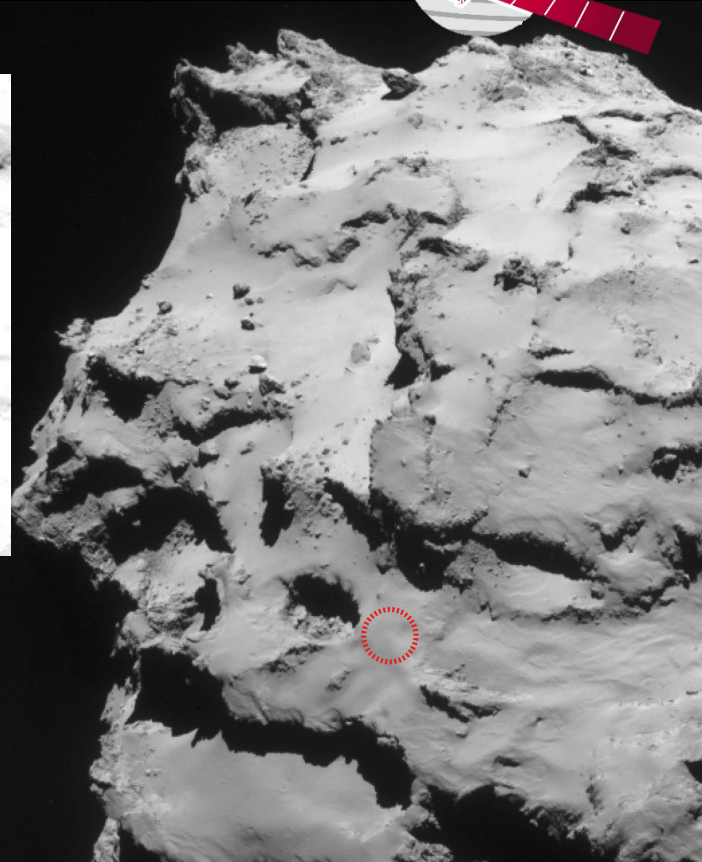

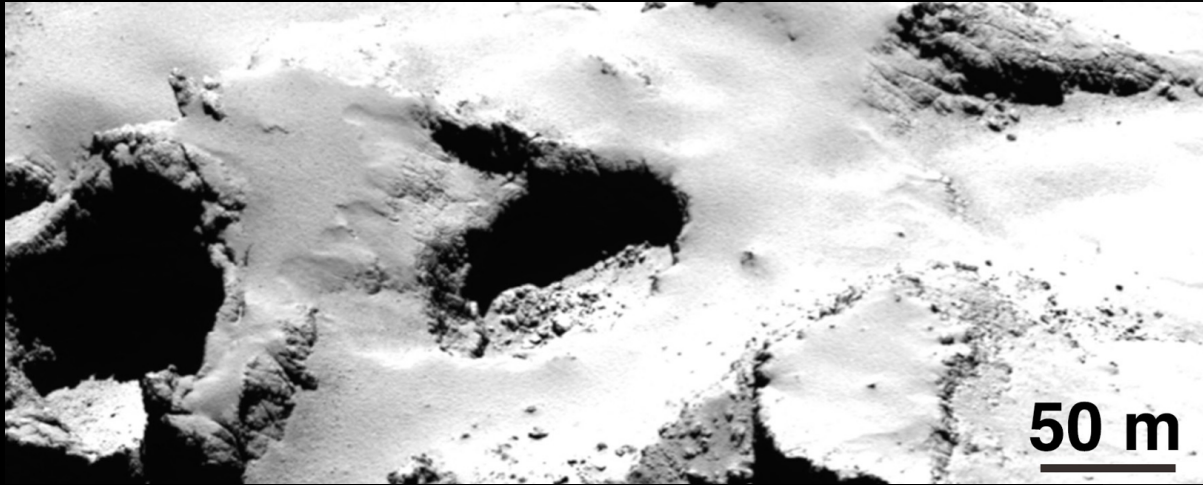

European Space Agency

The Rosetta Mission – we've done all this!!!

European Space Agency

The Rosetta mission – final resting target site – Ma'at region pits

The Rosetta Mission legacy

Spacecraft operations are about to end...

The Rosetta Mission legacy

... but science will continue

The Rosetta Mission legacy

- We are working on the data archive
- We will continue the science
- Hopefully many people who didn't know what a comet was, now do...

The Rosetta Mission legacy

- Rosetta was inspired
- It has inspired
- Not just in science, maths and engineering for the next generation, but artists and musicians too!

- Science
- Keep being inspired
- Keep working together
- Maybe even make big things that do big things...if you fancy it
